

Join Ayrshire Housing

Ayrshire Housing is a highly regarded housing association based in Ayr. It has a stock of 1,500 properties across Ayrshire but with a particular focus on the South Ayrshire Council area. We also provide a land management service to 1000 owner-occupiers in our estates.

We have an annual income of £5.5 millions and assets of over £45 millions. We endeavour where ever possible to re-invest in the Ayrshire economy both as a direct employer and a buyer of services.

We have a track record of producing attractive developments which aim to cater for a wider range of housing needs and living patterns. Many of our recent projects have received awards for the design or innovative features. We extend this commitment to the long-term maintenance of our stock.

We also support a wide range of other activities which both benefit our tenants and the wider community. These include leading in partnerships with other housing associations and specialist voluntary agencies to deliver tenancy support services and construction training opportunities. We also work closely with a range of agencies to enhance the quality of life in the neighbourhoods in which we have an interest.

An active membership is at our core. Every tenant is a member and they elect 5 Board members. We also have an enthusiastic community membership category. From it, 5 other Board members are elected. The Board is further strengthened by the participation of 3 Councillors appointed by South Ayrshire Council.

If you are interested in becoming a community member of Ayrshire Housing, please fill in the form below. We are particularly keen to recruit individuals with an interest and experience in housing and social issues, and who can also contribute to the management of a significant not for profit company. Membership allows you to attend the AGM and to seek election to the Board. You will also receive a regular newsletter and invite to events.

We will acknowledge receipt of every application and give you the timescale within which the Board will consider your application. We welcome applications from all sections of the community.

Ayrshire Housing is incorporated as a company limited by guarantee and a Scottish Charity. Our obligations to tenants and other service users are checked by the Scottish Housing Regulator.
