

BOARD MEMBER – VOLUNTARY ROLES

Are you looking to give back to your local community, learn new skills and drive forward the strategic direction of one of Ayrshire's biggest social housing providers? If so, you could be the perfect person to join our Board!

We are looking to strengthen our Board by recruiting new members with relevant skills and experience. We particularly welcome applications from our tenants and others living or working in our area of operation, particularly if you have relevant experience in:

- Financial and Treasury Management
- Legal and Regulatory
- Organisational Culture and Staff Wellbeing
- Health and safety in Housing compliance
- Asset Management and Sustainability

You will have a genuine interest and commitment to social housing and putting our customer experience at the centre of everything we do.

Ayrshire Housing's vision is to provide high quality homes and services that make a difference to peoples' lives and their communities. We are a Registered Social Landlord (RSL) with the Scottish Housing Regulator and a charity, working across South Ayrshire.

This is a voluntary but rewarding position. You will need to be able to devote sufficient time to fulfil the requirements of a Board Member, approximately 1 day per month, although in practice the workload will vary. The Board meet face to face 6 times per year on a Wednesday evening in our office in Ayr as well as taking part in an annual business planning day. We also encourage and support our Board members to develop their skills through relevant training, seminars and other networking events (full expenses reimbursed).
